About Deriv Group

A 25-year legacy of trust, innovation, and service

Deriv is one of the world's largest online brokers. We offer CFDs and other derivatives on forex, stocks & indices, cryptocurrencies, commodities, and derived indices to millions of registered users across the globe. We aim to deliver a first-class experience to digitally inclined traders, regardless of the size of their accounts.

With 25 years in the industry, we celebrate a legacy of innovation and a commitment to making trading accessible to anyone, anywhere. Over the past quarter century, we have grown to serve over 3 million customers worldwide, continually advancing to meet the dynamic needs of the markets and our clients.
