Deriv MT5 Credit Bonus

1. Introduction

- 1.1. These terms (the “Promotion Terms”) govern the MT5 Credit Bonus Promotion (the “Promotion”). By participating in the Promotion, you accept these terms alongside our General Terms of Use.
- 1.2. If there is any inconsistency between these Promotion Terms and the General Terms, these terms will prevail specifically regarding the Promotion.
- 1.3. “Notification Date” means the date we send you a notification (email, in-app message, or other communication) confirming that the Credit Bonus has been credited to your Deriv MT5 account.
- 1.4. “Promotion Period” means the period starting on the Notification Date and ending fourteen (14) calendar days after the Notification Date.

2. Eligibility

- 2.1. The Promotion is available only to selected clients.
- 2.2. Clients must hold an active real Deriv MT5 Financial or Gold account in order to receive and use the Credit Bonus.
- 2.3. The Promotion is not available to:
 - 2.3.1. Clients residing in jurisdictions where such promotions are prohibited by applicable laws or regulations;
 - 2.3.2. Clients whose accounts are suspended, restricted, under review, or in breach of Deriv’s terms; or
 - 2.3.3. Any other category of clients as determined by Deriv at its sole discretion.

3. Credit bonus

- 3.1. Under this Promotion, eligible clients may receive a one-time trading credit of 15 USD (the “Credit Bonus”) into their Deriv MT5 account, subject to these Promotion Terms.
- 3.2. The Credit Bonus:
 - 3.2.1. Is non-withdrawable;
 - 3.2.2. Cannot be transferred to another account; and

- 3.2.3. May only be used for trading purposes on Deriv MT5.
- 3.3. The Credit Bonus does not constitute your own funds and remains our property at all times.
- 3.4. The Credit Bonus may be used as margin to open and maintain trading positions on MT5, subject to platform rules, leverage, and margin requirements.
- 3.5. The Credit Bonus will not be visually reduced or adjusted during trading activity. Any trading losses incurred while using the Credit Bonus will be reflected in your account in accordance with platform rules.
- 3.6. You understand that during the Promotion Period:
 - 3.6.1. MT5 trading activity may continue even if your account balance is zero;
 - 3.6.2. Your MT5 account balance may become negative as a result of trading losses; and
 - 3.6.3. The Credit Bonus does not limit or cap trading losses.
- 3.7. If the Credit Bonus is removed, expired, or withdrawn in accordance with these Promotion Terms, it will be removed in full by the system. No reinstatement, replacement, or compensation will be provided.

4. Withdrawals and order of loss

- 4.1. You may withdraw net realised profits generated from trading activity while the Credit Bonus is active, subject to standard withdrawal procedures, verification requirements, and applicable terms. Please note:
 - 4.1.1. The Credit Bonus amount itself is not withdrawable;
 - 4.1.2. Only net realised profits may be withdrawn.
- 4.2. If your account contains both the Credit Bonus and your own funds, any trading losses will be deducted from your own funds first. The Credit Bonus will only be used to cover further losses once your own funds reach zero.
- 4.3. Only profits that exceed the sum of your total deposits and the Credit Bonus are eligible for withdrawal, subject to standard KYC and verification procedures.

5. Promotion period and removal

- 5.1. The Credit Bonus will remain active only during the Promotion Period.
- 5.2. Upon the expiry of the Promotion Period, the Credit Bonus will be automatically debited from the account balance. Deriv is under no obligation to provide a warning or notification prior to this removal.
- 5.3. The removal of the Credit Bonus at the end of the Promotion Period will reduce the account balance and margin level. This may trigger:
 - 5.3.1. A margin call; or

- 5.3.2. The immediate stop-out (automatic closure) of some or all open positions if the remaining balance is insufficient to meet margin requirements.
- 5.4. You bear sole responsibility for monitoring your account and ensuring sufficient "net balance" (total balance minus Credit Bonus) is maintained to support open positions. We shall not be held liable for any losses, missed profits, or stop-outs resulting from the scheduled removal of the Credit Bonus.

6. Abuse and prohibited conduct

- 6.1. We reserve the right, at our sole discretion, to withhold, cancel, adjust, or reclaim the Credit Bonus and/or any profits generated from it if we determine that a client has:
 - 6.1.1. Engaged in abusive, fraudulent, or bad faith trading practices;
 - 6.1.2. Attempted to exploit the Promotion through arbitrage, hedging between linked accounts, risk-free trading strategies, or similar conduct, including but not limited to 'churning', internal or external hedging (matching positions across different accounts), or the use of automated trading systems (EAs) designed to circumvent the non-withdrawable nature of the credit;
 - 6.1.3. Opened or used multiple accounts to gain an unfair advantage;
 - 6.1.4. Otherwise breached these Promotion Terms or Deriv's General Terms.
- 6.2. We may disqualify any client from the Promotion if we reasonably suspect misuse or abuse.

7. Modification, suspension, and termination

- 7.1. Deriv reserves the right to amend, suspend, or terminate the Promotion at any time at its discretion.
- 7.2. Any amendment, suspension, or termination will not affect the Credit Bonus already credited, except where required to prevent abuse, correct an error, or comply with applicable legal or regulatory requirements.

8. Miscellaneous

- 8.1. Participation in this Promotion does not constitute investment advice or a recommendation to trade.
- 8.2. The Promotion does not guarantee profits or protect against losses.
- 8.3. Deriv's decision regarding any aspect of the Promotion, including eligibility and interpretation of these Promotion Terms, is final and binding.
